CHI 96 Cover Page 3

The following information will only be used for planning technology support at the conference and the production of the CHI 96 CD-ROM.

Early information on the type of equipment you would like to have for your presentation is vital for the technology support team's planning. Please make your requests as accurate as possible. Otherwise the conference may not be able to provide the equipment you need for your presentation. For categories with a submission deadline before October, once your work has been accepted a more detailed request regarding the technology support will be included in your Authors' Kit.

AUDIO-VISUAL AND COMPUTER SUPPORT REQUIREMENTS

Please indicate what equipment you will need during your presentation if your submission is accepted.

The level of support provided will vary from one category to another. For special requests, contact either the Co-Chairs of your participation category or the Technology Support Chair at the Contact address shown.
